

**Ananta Institute of Medical Sciences & Research Centre**

## **Master Time-Table Phase 1 For Academic Year 2023-24**

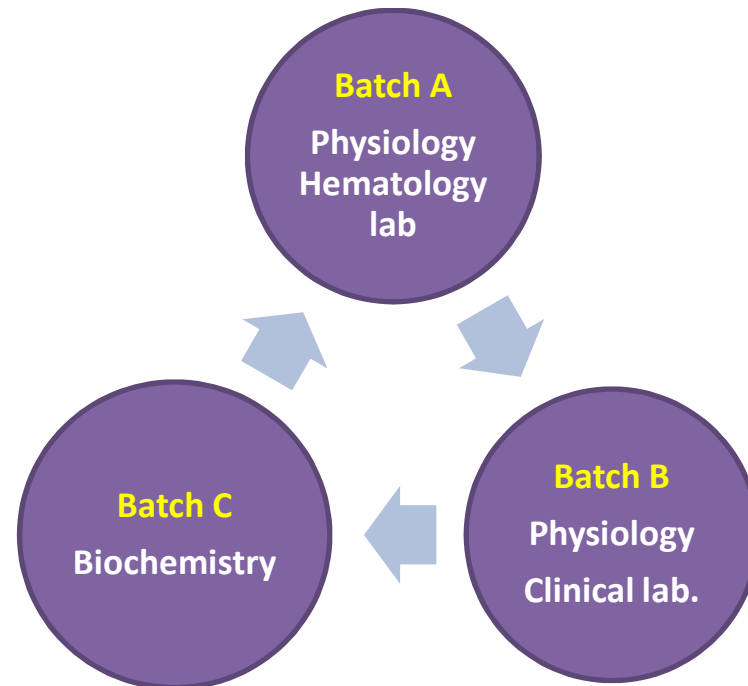

**Number of Students: 150**

**Division of Batch: **Batch A**-Roll no. 1-50,**

****Batch B**-Roll no. 51-100,**

****Batch C**-Roll no. 101-150**

**Batch rotation for Practical:**

**Abbreviation used in Time-Table:**

**L-** Interactive lecture, **SDL**-Self directed learning, **SGT**- Small group teaching, **AETCOM**- Attitude, Ethics & Communication  
**AN**- Anatomy, **PY**- Physiology, **BI**- Biochemistry, **CM**- Community Medicine, **TC**- Temporal Coordination, **N**- Nesting, **ECA**-  
Extracurricular Activities

	8-9	9-10	10-11	11-12	12-1	1-2	2-3	3-4
28/11/22	Welcome Function (White coat ceremony) with orientation				R E C E S S	Campus - A global Village College & Hospital visit		
29/11/22	Ice breaking by all four HODs	Introduction to Library/ IT/ Academic Departments	Introduction to 1 <sup>st</sup> year Departments			Introduction to the MBBS Program	ECA	
30/11/22	Being a Medical Student Keen Observation is key to success	Professional qualities and roles of a Physician	Expectations of physician from society and Peers	Gender sensitivity in medical profession		Health care delivery system in India		ECA
1/12/22	Introduction to Medical ethics	Commitment to lifelong learning as an important part of Physician's growth	Physician's role and responsibility to society and community	Expectations of society and patients from doctors		National Health Programs-1	Time management	
2/12/22	Academic Ambience	Introduction to alternate healthcare systems & H/O Medicine	Mentorship program			Bio-safety/ Needle prick injuries	Sports	
3/12/22	Immunisation requirements of health care professionals	Learning from members of health care team	Communication with patients and families	Peer assisted learning		Stress management	Sports	

**\*Rest of the Foundation Course to be conducted on Sundays**
